

City of Nis at 82nd International Agricultural Fair in Novi Sad

City of Nis Department of Agriculture and Rural Development in partnership with the Regional Chamber of Commerce participated at Agricultural Fair in Novi Sad. The farmers from this region presented their products at the joint stand. The International Agricultural Fair is the largest agribusiness event in Serbia and one of the largest of that kind in Europe. It has become the trademark of the oldest fair in Serbia Novi Sad Fair, and Novi Sad, as a prestigious site for presentation and development of agribusiness. It gathers the most significant companies in agribusiness, agricultural production, and machinery and presents the best in cattle breeding. It is an unavoidable place for agricultural producers from the country and the region.
