

# MINISTER MIHAJLOVIC VISITED NIS AIRPORT

October 13<sup>th</sup>

Deputy Prime Minister of Serbia and Minister of Transport, Construction and Infrastructure Zorana Mihajlovic arrived today in Nis ahead of the rest of the RS Government and visited Nis Airport Constantine the Great. Together with Nis City Mayor Darko Bulatovic Minister Mihajlovic held a meeting with the management of the Nis airport to get acquainted with the business operations of this company. This year Nis Airport records a number of departures to various European destinations, and the construction of a new control tower in cooperation with the SMATSA, which will modernize airport infrastructure, is also planned.
