- Niš City Mayor Dragana Sotirovski and the Mayor of Skopje Pater Šilegov talked in Skopje about cooperation between the two cities connecting the southern branch of Corridor 10, cooperation between the two chambers of commerce and long-term interregional cooperation, which, according to the two mayors, should be strengthened. Mayor Sotirovski attended the signing of the Cooperation Agreement between Niš City Municipality Palilula and Skopje Municipality Airport. The President of the Palilula City Municipality Bratislav Vučković and the Mayor of the Airport Municipality Zlatko Marin emphasized the importance of cooperation for the EU pre-accession funds, especially in the field of environmental protection, sports and culture. The Mayor of Niš and the Mayor of Skopje will propose that a joint, trilateral meeting on interregional and cross-border cooperation be held with the participation of the Sofia delegation in the second half of this year.
